SCRIPTURE VERSE FOR THIS WEEK:

Come to worship him with thankful hearts and songs of praise. The LORD is the greatest God, king over all other gods.
Psalms 95:2-3 (CEV)

SAY, PRAY AND BLESS:

A Prayer for the Week:

Lord, thank you for all you have given to us and done for us. You are great and mighty! Amen.

Mealtime Prayer:

Thank you for the world so sweet; thank you for the food we eat; thank you for the birds that sing; thank you, God, for everything. Amen.

A Blessing to Give:

May God the Father give you his Holy Spirit so that you grow to know God better. Amen.

CARING CONVERSATION:

Discuss in your household or small group:

- What does it mean to be thankful? For what are you thankful?
- Is thanksgiving more a choice or a feeling?
- How do we show thanks to others? How do we show our thanks to God?

DEVOTIONS:

Create a "Thanksgiving Box" to use this week. Ask your children to decorate the outside of a shoebox with typical Thanksgiving symbols. Keep this box in a conspicuous place, such as your kitchen table. Each day leading up to Thanksgiving Day, ask household members to reflect on their day, recall things for which they are thankful, and write these down on slips of paper to place in the box. On Thanksgiving Day, open the box and read what has been written. Say a prayer of thanks for all God has done for you and given to you.

SERVICE:

When you offer prayers of thanks for the food on your table and say your mealtime blessings, remember those who go without. As you prepare your Thanksgiving meal, cook some extra food that you can freeze in portions to give to persons in need of assistance in the coming weeks or months. Also consider inviting a widow, single person or someone who is lonely to share in your household Thanksgiving meal.

RITUALS AND TRADITIONS:

Household holiday traditions like Thanksgiving are a wonderful way to connect with your children. It may seem easier to just do it all ourselves, but we lose out on the benefits that come from making Thanksgiving a household affair. Use these ideas to create Thanksgiving traditions that include everyone:

- Let your children help prepare for the meal by including them in tasks that can be done ahead of time. Younger children can wash veggies. Teach an older child to make Grandma's apple pie. Teenagers could be allowed to come up with their own side dish to make. Make sure everyone helps clean up as well!
- Children can help decorate and prepare the table for Thanksgiving dinner. Encourage their creativity. They could make place markers, create a menu or design a table centerpiece (e.g. leaves, acorns, and pine cones placed on a platter or in a bowl).
